Conference Paper Submission

See SDCP.format.doc for format and guidelines. Include biographical sketches and photographs of the authors. Please submit on a CD:

1. a source file (MSWord compatible, LaTeX, Pages, etc.) with NO PAGE NUMBERS (on CD)
2. a .pdf file with NO PAGE NUMBERS (on CD)
3. a printed copy WITHOUT STAPLES

Note: Full eight pages in length, exactly, no more, no less.

Project Websites

A site must be created for your project on the EECS web server. You will receive an FTP account which will allow you access to transfer content to your space. Your web site contents can be anything relating to your project but must include:

1. A home page with project title, group members, one paragraph project description
2. The home must recognize any sponsorship including at least one sponsor contact
3. Your initial project description and block diagram document from EEL 4914
4. Your documentation from EEL 4914
5. Your CDR from EEL 4915
6. Your conference paper
7. Your final presentation to your committee
8. Your final documentation for EEL 4915
9. EVERYTHING ASSOCIATED WITH YOUR PROJECT (no links)
10. I MEAN EVERYTHING ASSOCIATED WITH YOUR PROJECT

All content must be in one of the following formats: html, pdf, MSWord .doc, or MS Powerpoint.
