

Project Reviewer Commitments

Faculty and Guest Committee Members: Thank you very much for agreeing to serve as a project reviewer. You have been asked by the senior design group designated below to become a member of their review committee. This requires that you sit for their final presentation and project demonstration, and then complete a short evaluation form. The committee review evaluation is an extremely important process in their final course evaluation, and all input is appreciated. Thank you for taking the time to participate in the evaluation process.
