Senior Design Student Career and Salary Survey

Congratulations upon completing Senior Design II, and upon your imminent graduation. Please complete this optional survey for the purpose of collecting data on student career opportunities and salaries. This data will be used to monitor the status of the job market for graduating EE/CpE engineers. Feel free to provide additional information as you see fit.

Instructions

- 1. Please enter your specific information in the data section.
- 2. Please complete the questions section of the survey.

3. Please return the survey to:
Dr. S. M. Richie
UCF, EECS - HEC-245E
4000 Central Florida Blvd. or email a scanned copy to
Orlando, FL 32816-2450 richie@mail.ucf.edu

Data

Name(Optional): _____

Degree: _____

Semester you will graduate: _____
