COLLEGE OF ENGINEERING & COMPUTER SCIENCE

Course Petition Form

Students seeking credit for courses taken outside of UCF may need to petition to receive credit for them. This form is used to petition for Engineering Core and Engineering Major courses. General Education courses are petitioned through a different process, for more information please consult the Academic Affairs Office (ENGR 107). All courses being petitioned must have course descriptions attached from the institution that they were taken.

Name: _____ PID: _____ Major: _____

Catalog Year: _____ Cumulative GPA: _____ UCF GPA: _____

Permission is requested for exceptions to the catalog requirements for the courses listed below. These courses will be reviewed and credit will be assigned on the SASS degree audit if approved.
